

SUPERCHARGE YOUR IMMUNE SYSTEM AND PROTECT YOURSELF FROM DEADLY FREE RADICALS

Clear the free radicals that severely compromise your health with our powerful blend of antioxidants.

THE STORY: Antioxidants neutralize free-radicals before they do harm to the cells of our bodies. They may harm our immune system and other organs as well as lead to degenerative diseases.

NUTRITION FOR THE BODY:

We cannot avoid daily exposure to toxic substances and stresses that allow free radicals to damage our health. We can do a lot with a healthy diet of powerful antioxidants in colorful fresh fruits, vegetables and whole grains. For added

protection our super antioxidant blend gives you significant phytonutrient protection.

THE SCIENCE:

Research is confirming that free radicals may play a significant role in the aging process. When you supplement your diet with antioxidant vitamins and phytochemicals, you may be protecting yourself and strengthening the systems of your body in a broad but powerful way from many, largely preventable degenerative conditions like cardiovascular diseases, dementia, diabetes, arthritis, and many other conditions. Antioxidants are proven to slow down oxidation and extinguish free radicals.
