

INSTANT SHAKE

CHOCOLATE & VANILLA

STOP CRAVINGS, LOSE WEIGHT, AND GAIN MUSCLE EASIER WITH THIS UNIQUE LACTOSE-FREE WHEY PROTEIN SHAKE

Made from pure, natural, lactose-free, high quality protein. A rich source of essential amino acids needed daily for building and repairing muscles, our unique protein isolate contains little to no fat, lactose, or cholesterol.

THE STORY: A great tasting craving-buster and weight control shake. A quick, low-calorie meal or snack replacement. It controls cravings and hunger with high fiber, high protein, low glycemic ingredients—no sugars or artificial sweeteners to spike then crash your energy. Added probiotics, CLA, omega-3s, and enzymes help maximize your healthy, fat-burning energy and build your immune system.

NUTRITION FOR THE BODY:

Without a sufficient supply of enzymes your body cannot adequately break down proteins, carbohydrates, and fats. This leads to many digestive disorders. This product not only calms the stomach, but it also works with inflamed tissues throughout the entire digestive tract.

THE SCIENCE:

Protein shakes vary dramatically in how they impact your health and performance. A high quality lactose-free and low-cholesterol protein like ours make all the difference. But the bonuses that makes this product so far superior for weight loss and athletic performance are the added enzymes and probiotics as well as the CLA (conjugated linoleic acid), and the omega-3s. These additions make this shake a true superfood as well as a superior weight-loss and

high-performance shake. assortment of the six most important enzymes and five digestive herbs.

Dr. David Bowman
Medical Advisor
