

Engage® Laundry Concentrate

Clean your laundry better at less cost

Our proprietary money-saving, concentrated formula penetrates and lifts dirt for the cleanest clean you'll ever see.

- Deep action cleaning gets rid of dirt, stains and odors.
- Green certified and biodegradable with a light, fresh fragrance.
- Safe for septic tanks
- The active cleansing agent comes from a **renewable source** (corn and coconut oil.)
- Designed for all types of washers. For front loaders use no more than 1 to 2 tablespoons. If you are using a high efficiency machine, you can use even less.

Does not contain...

E.D.T.A. Alkyl benzene sulfonates, Diethanolamides, Optical Brighteners, Petroleum distillates, Napthas, Phosphates, Silicates, Borates, Ethylene Glycols, Polyethylene Glycols, Quaternium 15, Xylene Sulfonate, Toulene Sulfonate, Materials known to cause cancer under California Prop. 65 dated June 2006, NO irritating enzymes! These harmful ingredients place a much greater burden on water treatment facilities.

Directions Front Loaders

Use one to two tablespoons depending on your machine size, load size, and how dirty (greasy) your clothes are. You get 32 to 64 loads total. Each bottle lasts much longer than traditional laundry detergent.

Directions Top Loaders

Use ½ of bottle cap per load (2.5 tablespoons). The first two times you use the product, use a full capful to clean residue buildup out of washer. You get approximately 26 loads.
